

Promotion Ceremony
Stage Decoration
(Optional)

It's almost time for 4th Grade Promotion!

We are hoping to decorate the outdoor stage for promotion in a huge sea of blue to show our Matunuck/SK Spirit! The idea is that any family who wants to participate would buy a plant that we would use to decorate the stage on the day of Promotion. Each and every purchase will be tagged with your family name. After the ceremony the plants will be yours to bring home to plant and enjoy at your home.

We just ask that we leave them up for a little bit after the ceremony if possible so the stage will look wonderful for everyone's pictures.

Contact **Danielle Ritorto** if you have any questions. **401-741-4903**

Payments can be made by cash/check (made out to Danielle Ritorto). I will send confirmations to let you know I have received your order. Clarks farms will be there early in the morning the day of promotion to set it all up with us. If using backpack express- please mark Attention Danielle Ritorto on the envelope.

PLEASE PLACE ORDERS BY JUNE 15TH
